03

Intensive Business English

IBE20 & IBE25

The combination of the afternoon business class with a further 2-3 hours per day of private class is for students who want the customized course and focus. The private class can concentrate on topics related to business: business communication, marketing economics, interview preparation, or other topics upon request.

04

Private Course

Personalised language courses consist of 2 or more hours a day of individual tuition that can be rearranged to suit student's needs.

The course can also be tailored to specified group of students upon request.

05

With a track record of exam success, we offer personalised tuition for medical professionals who are preparing to take the Occupational English Test (OET). Learn strategies for improving your scores in the reading and listening sub-tests and get detailed feedback on your OET speaking and writing.

STUDENT SERVICE

Visa

- For those studying from 1 to 4 weeks, we recommend getting a visa on arrival (Visa exemption) available to most countries's citizens.
- For course up to 90 days, we recommend a 60 day tourist visa (with 30 day extension) as it is quick and easy to obtain from your nearest Thai embassy.
- For those studying longer, we can organise an Education visa (ED) for you, which can be used for 3 to 12 months. Please note that the Education Visa can take up to 6 weeks to obtain.

Airport Transfer

As one of South East Asia's Major cities, flying to Bangkok from anywhere in the world is easy and affordable. The main airport, Suvarnabhumi, has a fast and efficient rail link which takes you to the centre of Bangkok. You can also take a cheap taxi from the airport to downtown Bangkok. Alternatively, we can organise an airport transfer for you.

Accommodation

Serviced Apartment

By far the most popular choice, these are usually studio apartments with your own bathroom, wifi, international and local TV channels and some even have kitchens. Serviced means that your room is regularly cleaned for you and the linen is changed. Most can also provide breakfast for you although, in Bangkok, you are never far from wide range of delicious local food.

Hotel

For those wanting a bit more comfort, there is a vast choice of international standard hotels within easy reach of the school.
